

The Academy for Technology & the Classics

2018 Golden Phoenix Golf Tournament

To Whom It May Concern:

The Academy for Technology and the Classics Foundation and PTSC (Parent Teacher Student Coalition) is hosting the First Annual Golden Phoenix Golf Tournament on Friday, September 28, 2018 at the Santa Fe Country Club. This event is a fundraiser and monies raised will go towards classroom projects; classroom needs such as books and supplies; club support including Drama, Chess, Green Team, Super Computing Challenge and more; Music including Acoustic Americana and Marimba; Athletics and our Advanced Placement Exam Scholarship Fund. This event is the main fundraiser of the year. The ATC Foundation is a 501(c)3 non profit organization.

The Academy for Technology & the Classics (ATC) is a college-prep charter school serving approximately 400 students in grades 7 – 12. The school is known for its rigorous curriculum and outstanding, as well as passionate teachers. The school sets the bar at a challenging level; pushes students to go outside their academic comfort zone and provides an academically supportive environment. ATC was named Charter School of the Year in 2016 by the NM Coalition for Charter Schools. US News & World Report ranked ATC as the #2 High School in New Mexico in 2018 and has been ranked in the Top 5 High Schools in New Mexico. ATC also has some of the highest PARCC scores in the nation, and just received its 6th “A” from NMPED for 2017-2018.

Included with this letter is detailed information on the different levels of sponsorship. Your sponsorship and support will help make the Golden Phoenix Golf Tournament, a successful and fun community event!

Thank you for considering our request.

**Sincerely,
The ATC Foundation & ATC PTSC**

Stoke the fire, rising higher!
