## **APPLICATION OF DISTRICT & SCHOOL RULES**

School rules apply to students whenever students are:

1. present in any school or on property of the school district;
2. at any school-sponsored activity, regardless of its location, or;
3. Off campus, including traveling directly to and from school, **when** student misconduct is detrimental to the best interests of the school, its educational mission and its students.

## **BEHAVIORAL EXPECTATIONS FOR STUDENTS**

### **Appropriate Learning Environment**

Students are expected to behave in a manner that permits teachers to teach and students to learn without interference or disruption.

### **DESCRIPTION OF KINDS AND LEVELS OF DISCIPLINARY ACTION**

Self-discipline is the ultimate goal for each student. Those few students who do misbehave and interfere with their own and others' learning and teaching must be prepared for consequences for those actions. The disciplinary consequences for misbehavior are classified in five levels of action, ranging from least severe (Action Level 1) to most severe (Action Level 5). The punishment imposed must be in proportion to the offense committed. Disciplinary Action Levels will ensure school-wide consistency in addressing misbehavior. At the school administrator's discretion, he/she may use lower level actions in addition to the required level of action.

The disciplinary interventions and consequences for a specific misbehavior usually include a range of actions. The administrator or teacher should select the action that will offer the greatest chance for producing a positive change in the student's behavior, based on an understanding of the student and sound guidance principles. When the punishment imposed includes exclusion from extra-curricular activities, the school administrator may give the student the opportunity to earn the right to regain the privilege.

Occurrences are classified as Minor "M" offense or Serious and/or Repeated "S/R" offense(s).

# DISCIPLINARY ACTION LEVELS: Interventions and Consequences

## ACTION LEVEL 1

GENERAL REQUIREMENTS: Action Level 1 includes one or more of the actions listed below taken by the administrator or other designated persons. The meeting, letter, student incident report and/or telephone call must include a discussion and/or description of the student's achievement or unacceptable conduct. Every effort should be made to ensure that the student would be able to continue his or her schoolwork.

**Action:**

**Definition:**

Official warning to student	A written notice from the teacher or administrator to the student specifying the action to be taken if the same or similar misconduct is repeated within a stated period of time. Notice must be given to parent or guardian.
Conference between teacher and student(s)	A meeting with a student during which student achievement, the unacceptable student conduct and possible ways to deal with the problem are discussed. Some strategies to consider are: collaboratively developed contract, conflict resolution skill building activities, frequent information about student's behavior communicated to parent(s) or guardian, referral to academic or social support groups, class meetings, etc.
Communication between teacher and parent or guardian	Notification of the parent/guardian at a meeting, or by a telephone call or letter that a behavior problem exists and what action has been taken.
Conference with staff, parent or guardian and student	A meeting with staff, parent or guardian and usually the student, during which student achievement and unacceptable conduct are discussed, better ways of behaving are reviewed and a plan for future behavior is outlined. A phone conversation may be adequate if a meeting is not feasible.
Special Assignment	Assignment to an activity or project that builds awareness, knowledge and skills to meet similar situations more positively. For example, designing and presenting role-play, community service, connecting consequences, and research on topics relevant to misbehavior.
Immediate removal	Means the removal of a student from school for one school day or less under emergency conditions and without a prior informal hearing. Students whose presence poses a continuing danger to persons or property or an ongoing threat of interfering with the educational process may be immediately removed from school. An informal temporary suspension hearing shall take place as soon as possible but within one (1) school day and the student shall be reinstated unless a suspension is imposed after the required informal hearing.
Contract with student	A written statement developed collaboratively with the student, listing steps to be taken by the student to improve behavior and describing the support to be provided (if needed) by school staff and the parent/guardian, stating when the contract will be reviewed and consequences if it is not honored.

## ACTION LEVEL 2

GENERAL REQUIREMENTS: Action Level 2 includes one or more of the actions listed below taken by the administrator or other designated persons. A meeting or other communication with the parent or guardian and the student must take place in addition to the Level 2 Action. The meeting, letter, student incident report and/or telephone call must include a discussion and/or description of the student's achievement and unacceptable conduct. Every effort should be made to ensure that the student would be able to continue his or her schoolwork. When a student is in-school suspended, parents and/or guardians may be required to attend a meeting. Only a site administrator may assign students to in-school suspension or suspend students from school.

No detained student shall be denied an opportunity to eat lunch or reasonable opportunities to go to the restroom.
Exclusion from extracurricular activities*	Denying the student the opportunity to participate in extracurricular activities for a specified period of time.
In-school suspension**	After a conference and an informal temporary suspension hearing with the student, the administrator may bar a student from attending scheduled classes and instead require him/her to attend in-school suspension not to exceed five days. Please refer to GUIDELINES FOR SUSPENSIONS for more information.
One to Two days Out-of-District Suspension**	An action taken by an administrator after an informal temporary suspension hearing which temporarily denies a student the right to be on any school campus or attend any school-sponsored activity for the duration of the suspension or expulsion, including after school, week-ends or holidays. In addition, within <b>ten (10)</b> school days, a conference with the student and parent/guardian must be held to agree mutually on ways the misconduct can be avoided in the future. The student will not be suspended for more than 2 days. Please refer to GUIDELINES FOR SUSPENSIONS for more information.
Referral to auxiliary and/or support services	Action taken by staff on behalf of student in consultation with parent or guardian which may include mediation, conflict resolution, community service, school service if available, counseling, referral to Student Action Team, peer panel, classroom interventions, restorative justice practices, support group, etc.
Restitution for damages	In cases where student behavior causes damage, destruction or loss of property, the parents and student will be expected to pay the cost of repair or replacement. The school administrators are responsible for determining the terms of repayment or replacement.

\*\* Only a site administrator may assign students to in-school suspension or suspend students from school.

\* Unless preempted by 504 or special education regulations. When the punishment imposed includes exclusion from extra-curricular activities, the school administrator shall give the student the opportunity to earn the right to reverse this decision.

### ACTION LEVEL 3

GENERAL REQUIREMENTS: Action level 3 includes one or more of the actions listed below taken by the administrator or other designated persons. A meeting or other communication with the parent or guardian and the student must take place in addition to the level 3 action. ## GUIDELINES FOR SUSPENSIONS

The right to attend public school is not absolute. It is conditional on each student's acceptance of the obligation to abide by the lawful rules of the school community until and unless the rules are changed through established processes. Only a site administrator or his/her designee may suspend a student from school.

When a student is suspended or expelled from school, she/he is not to be on any school campus or attend any school-sponsored activity for the duration of the suspension or expulsion, including after school, week-ends or holidays. Failure to comply may result in legal or other disciplinary action against the student.

### ABSENCES – REPORTING STUDENT ABSENCE

Parents *must* notify the school in a timely manner of their child's absence and/or send a written notice on the day the child returns to school. Notification of an absence will only be accepted within the three days following the child's return to school.

1. days, which may include in-house suspension if available. The school will provide a list of such referrals. The student must provide verification of attendance within two weeks.
2. After the first offense, all other offenses will result in required classes/sessions, long-term suspension, or other options, as determined by the principal or designee.
3. The principal will complete the Alcohol or Other Drug (AOD) Referral form and the No-Use Contract found in the SFPS Student Wellness Handbook. A referral to [Santa Fe County Teen Court](#) or other auxiliary services are recommended.

### SCHOOL ATTENDANCE GUIDANCE DOCUMENT

ATC recognizes that students' school attendance, habits of punctuality, self-discipline and responsibility is directly related to their academic success. The responsibility of enforcing the Compulsory School Attendance Law rests with the parents or legal guardians. The responsibility of the school district is to notify parents of attendance problems.

ATC College Crew assigns each student a College Crew Leader who assists the student with preparing for college in accordance with the goals of a college prep education. The College Crew Leaders will support regular school attendance and support academic success for each of their students.

On one designated day per week that school is in session beginning the fifth week of school, students with satisfactory school attendance and grades, as outlined below, will be released at 2:30 pm.

Bus transportation on early dismissal days will be provided at the regular dismissal time.

Students eligible for early dismissal may remain at school and may attend a study hall or an ATC-approved activity. Early dismissal days are not intended as a time for eligible students to socialize on campus.

Parents/guardians are responsible for making transportation arrangements for students released at 2:30 pm.

Students who leave campus must sign out prior to leaving campus on each early dismissal day. The ATC administration will notify parents in writing at the beginning of each school year of the requirement that they make transportation arrangements for their children for early dismissal days.

Students who have unsatisfactory attendance as further described or who have an average of 60 or below in any class, or who are in need of tutorials, as determined by the student's teacher, will stay at school on the designated day until regular dismissal. Students with 3, 5 and 7 excused or unexcused absences in a semester may be assigned to tutorials after those absences are identified or at the discretion of the teacher. Students with 10 or more absences may be assigned to tutorials until regular dismissal through the end of the semester.

Students required to stay on campus until regular dismissal will do schoolwork, attend a tutorial, participate in a parent/teacher conference, or engage in another educational activity, as directed by the student's College Crew Leader.

Early dismissal gives teachers an opportunity to hold parent/teacher conferences, provide tutorials, and assist students with their work.

### Addressing Excused and Unexcused Absences

The following procedure will be followed for students with excused and unexcused absences:

- After 3 absences from any class during a semester, the student's College Crew Leader will contact the student's parents/guardian via telephone or call a meeting to notify the parents/guardian of the absences.
- After 5 absences from any class, the student and his/her parents/guardians will meet with the College Crew Leader to discuss the reason(s) for the absences and how the student can improve his/her attendance.
- After 7 absences from any class, the student's grade level team will meet with the student and his/her parents/guardian to develop a written plan for improved attendance.
- After 10 absences from any class, the student's grade level team will meet to determine a course of action which may include the following:
  - The student may lose credit for a class or classes for the semester.
  - The student may lose credit for a class or classes for the semester, and the student's grade level team may develop a credit recovery intervention plan. The plan will be in writing and will set forth what is required of the student to restore credit of a class or classes. The student, the student's parents/guardian and the team will sign the plan. Credit for the class or classes may only be restored if the team certifies at the end of the semester that the student has complied with all requirements in the plan. If there are extenuating circumstances, such as illness, hospitalization or participation by the student in homebound instruction during absences, the team may restore credit at its discretion.

This procedure is not intended to limit additional contact between ATC and the student and parents/guardian or to prohibit imposition of additional requirements or restrictions on students with absences.

Unexcused absences may result in additional disciplinary action, which may include but is not limited to immediate parent/guardian contact, detention, and referral to the Children, Youth and Families Department.

### Notification of Student Absences

It is the responsibility of students' parents/guardians to request ATC to excuse a student's absence, except absences due to school sponsored/sanctioned activities. Notification of an excused absence must be given to ATC within 3 days of a student's return to school or the excuse will not be accepted. Three consecutive absences require a health care provider's note.

Parents/guardians may excuse a student's absence of up to 5 days by telephone to the school. After 5 absences, any subsequent absence must be excused by health care provider's note or other appropriate documentation from the parents/guardian, or the absence will be unexcused.

### **Definitions:**

- A. *Attendance*, means students who are in class or in a school-approved activity.
- B. *School-age person*, means a student who is at least five years of age prior to 12:01 a.m. on September 1 of the school year and who has not received a high school diploma or its equivalent or has not reached the age of majority (18). A maximum age of twenty-one shall be used for a person who is

classified as special education membership as defined in Section 22-8-21 NMSA 1978 or as a resident of a state institution.

The student must obtain an official note from the health-care professional (doctor, dentist, mental health counselor, etc.) verifying that the absence is recurring and necessary. Short-term illnesses also include any medical or mental condition that keeps a student out of school fewer than three (3) days, as verified by parent notification.
4. *Hazardous weather conditions:* shall mean weather conditions that would endanger the health or safety of the student when in transit to and from school as approved by the Principal or designee.
5. *Late bus arrivals:* Students will not be considered late or tardy if caused by late bus arrivals at school.

10. *Other emergencies or set of circumstances:* that, in the judgment of the Principal or designee, constitutes a good and sufficient cause for absences from school.

D. Unexcused absences are: Absences from school or a class for which the student does not have an allowable excuse pursuant to the Compulsory Attendance Law or rules of the local School Board.

F. *Habitual Truant* is defined as a student who has accumulated the equivalent of ten (10) or more unexcused absences within a school year.

- C. If the student is enrolled in participation based courses (such as art, computer keyboard, PE, etc) additional assignments upon return may be required for credit recovery.

## **Make Up Work:**

Students have a responsibility to make up work regardless of the reason for the absence.

1. When a student is absent, the parent and the student have the obligation to ask for make-up work.
2. The teacher has an obligation to provide the student with resources in order to learn the material missed during the absence. This may include the actual class work assigned during the student's absence, or an alternate assignment to cover the same material.
3. It is the student's responsibility to learn the missed material, including completing alternate assignments deemed appropriate by the teacher.
4. Students have the same number of days that they were absent to turn in missed assignments.

## **Late Work:**

ATC prepares students to be successful in college as well as develop employment skills. Turning school work in on time provides students with the structure necessary to develop time management skills and task completion skills. This policy is intended to contribute to solid work habits and academic success. (ATC Policy 301.)

Work turned in on the due date may receive up to 100% credit.

Each day after the due date for any schoolwork, the following percentage deductions will be applied:

- Work turned in 1 day late may receive up to 90% credit.
- Work turned in 2 days late may receive 80% credit.
- Worked turned in 3 days late may receive 70% credit.
- Worked turned in more than 3 days late will receive no credit, or students will have one opportunity to attend a tutorial and turn in the work by the Monday of the following week for up to 70% credit. Work not turned in at this point receives a hard zero.

## **Loss of Credit and/or Grade Level Promotion:**

All absences (excused or unexcused) accumulating to more than ten (10) days in a semester (18 weeks) may result in a loss of credit and/or grade level promotion. However, in lieu of loss of credit or grade level promotion, the student may participate in a credit recovery plan to make up credit or grade level requirements as determined by the College Crew Attendance Team. Exceptions to this rule include: absences due to hospitalization or illness if the student participates homebound instruction during the absence or school sponsored events.

## **Tardies:**

Students are expected to arrive in class before the tardy bell rings. If a student is tardy to class, the consequences will be as follows:

**1st tardy** - student signs tardy folder upon entering class and receives a lunch detention.

**NOTE:** If a student is late to 1<sup>st</sup> period, that student receives a lunch detention from the receptionist and is to immediately report to class.

**2nd tardy** - Student receives lunch detention.

**5th tardy** - Teacher will call the parents of the students with a warning that, after the 7<sup>th</sup> tardy, there will be a mandatory meeting with the administration, parents and student to address the issue and sign a contract.

**7th tardy** - Teacher refers student to Assistant Principal, who will set up a meeting with the parents to address the issue and sign a punctuality contract.

If the student is late to lunch detention, that student will receive an additional day of detention.

If the student breaks any of the rules of lunch detention, she or he will receive additional detentions or further consequences including, but not limited to: referral to the Assistant Principal, meeting with parents, community service and/or referral to counseling.

## BUS RULES

If a student chooses to ignore a bus rule, the Principal upon receipt of a written Bus Conduct Report form signed by the driver, will take the following disciplinary action(s): (The specific disciplinary action will depend largely on the seriousness of the infraction.)

- A. **First offense:** A warning to the student with a copy of the conduct report issued to the parent/guardian. Parents are expected to help prevent a reoccurrence of the offense.
- B. **Second offense:** Disciplinary action will be administered at the discretion of the Principal. Possible options include a report to the parents and suspension of riding privileges.
- C. **Third offense:** Automatic suspension of riding privileges will result. The length of suspension will depend on the seriousness of the infraction. A report will be made to the parents.
- D. **Severe disruption:** The following inappropriate and dangerous behavior will result in automatic suspension of transportation privileges as determined by the building principal.
  - 1. physical harm to student(s)
  - 2. physical harm to driver
  - 3. physical damage to the bus
  - 4. Drug, Alcohol or Weapons Possession

A student may be recommended for suspension by the bus driver for one AM or PM trip for serious, safety related infractions, after the principal or designee notifies the parent/guardian. Any further discipline will be determined by the principal. Suspension of a student from his/her bus riding privileges does not necessarily mean the student is suspended from school. Suspension from school does imply automatic suspension of bus riding privileges. In addition to the suspension of transportation privileges, legal action may be taken and may result in charges being filed.

NOTE: Any time a student has to make a deviation from his/her regular stop or bus route, he/she may take another bus if a principal and parent gives written permission, or in the case it is a last minute decision, a principal and parent can verbally consent provided there is space available on the bus for the student.

## Dress Code

A student's dress and appearance shall be such that it does not materially disrupt or interfere with a school's educational mission or threaten the safety of others.

## FEES (Student)

Regular school instructional programs are provided without cost to the student or family. Fees may be required for materials used in products created by the student that become the personal property of the student and for optional field trips and other activities. If such fees create an economic hardship for the student and family, special arrangements may be made. Fines will be charged for overdue books and damage to or loss of books or school equipment. Admission or participation fees may be charged for extra-curricular programs and activities.

## FAMILY EDUCATIONAL RIGHTS and PRIVACY ACT (FERPA)
