

ATC PTSC Meeting September 23, 2014 – OPEN HOUSE

Welcome & Introductions

The PTSC is raising money for science labs with frito pies and Friday sales at ATC. Thanks to all the parents who help (i.e. Lisa, Rosemary, Vicki and others).

The meeting came to order at approximately 5:45pm

Student Council Update

Zander presented. He said the Student Council is working very hard planning an upcoming event celebrating Halloween. There will be a combined festival (Mr. Host is sponsoring) and dance (Student Council is planning) which will take place on Friday, October 17th. The Student Council is able to do so well because of its great organizers and a great Principal. Come help with the events. There can never be too many people helping.

Andie says ATC float in Historical/Hysterical Parade was a big hit and got lots of applause. Students are already talking about building a big float for next year.

Flaming Chicken Run Update – Mickey Fong

Mickey is the parent of an 8th grader. Her oldest son attended ATC as well. She loves this school. Flaming Chicken Run is one of the first trail runs to take place in Santa Fe. Mickey described the ATC trail/course. The Flaming Chicken Run will take place on Sat. October 25th on the ATC campus. There are flyers and a website with information about the event. Please sign up to volunteer or sponsor. On Wednesday October 1st from 6pm – 7pm there will be an organizational meeting at the REI Community Room. Email Mickey with any questions regarding the event at atc.trail.run@gmail.com

Andie said that they need business sponsors so if parents own businesses or work for businesses who might be interested please encourage them to do so. The money raised by the Flaming Chicken Run supports new science labs, the teacher lounge project and teacher wish lists, etc. Spread the word to friends.

PTSC UPDATE

Fab Friday Sales - Will take place every other Friday.

PTSC will be selling farolitos this holiday season.

Product Update - credit cards are now accepted for products sold by the ATC PTSC.

Please use the ATC PTSC Idea box for funding ideas (i.e. Helping the Green Team).

Mr. Carlson requested \$300 for conga drums for percussion. Motion approved.

Andie and Ms. Lumley were thinking it would be good to have table covers that say ATC and banners (like at trade shows) that list who we are and what we do – for events at other communities (i.e. Rio Grande school - inviting 7th graders to the ATC open house).

Andie took an informal poll - Any objections for up to \$500? Not sure exact prices yet. Would it be approved? Heads nodded. Specifics will show up on the PTSC website soon.

The meeting adjourned at 6:15pm.

Next Meeting – Tuesday, 10/14. Location to be announced.
